

# *Much Ado About Shakespeare, LLC*

## Internship

*"Working as an intern with Much Ado was a **life-changing experience for me**. I learned so much about working with kids, being part of a team and, of course, Shakespeare! But most of all, I had a fantastic time- **I wouldn't trade my time with the program for anything!**"*

Thank you for considering an internship with Much Ado About Shakespeare, LLC. We are looking for interns who are excited about theater and who want to learn how to share that excitement with younger students in a productive and positive atmosphere.

**Description:** Interns with Much Ado About Shakespeare, LLC will attend all classes, rehearsals and performances as assistants to the staff instructors. Interns will participate in teaching and supporting the students during the season, all the way through the big final performance. Throughout, they'll develop leadership abilities, confidence, project management skills and understanding of theater arts instruction. An internship with Much Ado is a fun, creative, and challenging experience ideal for students who wish to learn on their feet in an artistic and energetic environment.

**Qualities:** Intern candidates should have a passion and commitment to theater, and most preferably, Shakespeare. They also have an interest in creative learning and a compassion for students younger than themselves. Preference will be given to candidates who are motivated, supportive, conscientious and who welcome instruction and guidance from various teachers. The successful intern is not only open to sharing with the students and bringing his/her personal energy to class, but is also able to encourage the students to do the same. The intern should also be comfortable taking on the responsibility of modeling respectful and safe behavior at all times.

We look forward to hearing from you. Please complete and submit the Internship Application and fax it to (323) 275-0990. Once we have reviewed it, we will contact you.

Thank you,
