Join us for a fun and exciting program of discovering Shakespeare's plays as we rehearse and perform one (or two) group scenes from the Bard's greatest works. Scene possibilities being considered are from: Macbeth, Romeo and Juliet, Julius Caesar, A Midsummer Night's Dream, Twelfth Night, Much Ado About Nothing. This program provides a safe, fun and supportive atmosphere where students will learn to make bold and creative acting choices, while also developing new levels of personal confidence and ensemble skills. *Much Ado works from the original text, preserving the Elizabethan English, while adapting the script for classroom use.*

***Much Ado* offers a professional educational program that brings the brilliance and fun of William Shakespeare's works to students of all ages. Beyond learning Shakespeare, students will develop self-esteem, confidence in front of groups, creative self-expression, vocal presence, leadership qualities, respect for others and teamwork abilities.**
